

Faith (Richard Smallwood)

Lead

There are times when adversity
Seems to overtake your life
Doubts and fears seem to cloud your mind
And confusion's all inside
But there's a message for you my friend
And I know this word is true
Just have the faith of a mustard seed
And there's nothing you cannot do

Chorus

You can move mountains
Nothing is impossible
You sha-a-all overcome
Just believe and it shall be done

Lead

Your river may seem too hard to cross
And your mountain too hard to climb
But you can conquer your circumstance
If you keep this thought in mind
Faith is the substance of things hoped for
And the evidence of things not seen
If you walk by faith and not by sight
You can realize your dreams

Chorus 2x

Bridge

Faith
Got to have it
Faith
Really need it
Without faith
It's impossible
(Invert and repeat)
