

Fight On

In this walk, we face many battles. But they're not yours, they belong to the Lord
Put on the armor of God. Delight yourself in His word

Don't (Don't) give up the fight (it's too late)
It's too late to give up now (ooh)
Don't give up (the fight) the fight

So be encouraged, my brother. Hold on, my sister
There's a way of escape for you and for me
Be strong, stand on His word
God has promised to fight every one of your battles

Don't (don't you) give up the fight (it's too late). It's too late to give up now
Don't give up (don't give up the fight) the fight

The war was won by Jesus, on a hill called Calvary
Where He gave His life for you and me
Dry your eyes, don't you cry. Everything is gonna be alright
Now weeping may endureth for a night
But hold on, joy is coming in the morning time

Fight on (fight on). Fight on (fight on)
Fight on (fight on) Fight on (fight on)
Fight through the rain (fight on). Fight through the pain (fight on)
Fight when you're up (fight on). Fight when you're down (fight on), yeah
Fight through your tears (fight on). Press through those fears (fight on)
We've already won the battle (fight on). You've got to fight on (fight on)
We wrestle not against flesh and blood (fight on)
But against spiritual wickedness (fight on)
In the high places, hey, but that's alright (fight on), that's alright
We've already won (fight on)
The Lord is walking by your side (fight on)
Everything is alright (fight on)
Fight on (fi-i-ight on), yeah, He (oh, oh)

God is with us (fight on), yeah. God is with us (fight on)
You've got to fight on, fight on, fight on (fi-i-ight on, oh, oh)
Fight on (fight on). Fight on (fight on). Fight, woo (fight on)
