

**God Is Good**

**I know that God my God. God Is Good.**

**God my God. God Is Good.**

**You know that He brought me out of darkness. God Is Good.**

**You know that He saved my soul.**

**You know that He guides my every foot step.**

**And then He put shoes on my feet.**

**And then He put food on my table.**

**And then He made a way.**

**And with no money in my pocket.**

**You know that He healed my every sickness. God is Good.**

**Said that He healed my every sickness. God Is Good.**

**I said that He healed my every sickness, with no money in my pocket, He still made a way - out of no way. \*He still made a way - out of no way. He still made a way - out of no way.\***

**And then he put food on my table, and then he put shoes on my feet, so he could guide my every footsteps, Jesus saved my soul, I know that he saved my soul, and he saved my soul, And then he brought me out of darkness.**
