

He Lives-Fred Hammond

I know he lives; I believe he lives. I am sure he lives; I am sure he lives
I know he lives; the Savior lives

It's time to celebrate the Savior and His word; Lets shout because we know He
lives and we
are certain. His love has set us free our enemies did fear. If you agree come on
and lift up your hands

Choir

Everybody lift your hands if you know that Jesus is worthy
Open up and give Him praise—let's do it in a hurry
You love Him lets glorify in the song and in the dance
You know the Savior lives—come on and lift up your hands

To understand why we praise let me tell you how it all went down.
The news spread so very fast—people came from miles around.
This would be the day Christ would be crucified
He took His last breath. He hung His head and died. They took my Savior down
from off that rugged cross. They laid him in a tomb it seemed all hope was truly
lost but the third day came along and brought the rhythm of life; the storm rode
away, an angel proudly proclaimed....
