

**I AM BLESSED**  
**(Reed Temple Choir)**

Lord, Lord, Lord, You've been blessing me.  
When I look where you have you brought me  
You sure been blessing to me, Yeah  
Lord, Lord, Lord, You've been blessing me  
I can tell the world, tell the world that I am blessed,  
I am blessed, yeah (repeat)

When I woke up, early this morning  
I was closed in my right mind  
Then I looked all around me  
My family was doing fine  
I want to thank him, for how he kept me  
Thank him he never left me, I can tell the world  
Tell the world that I am blessed. Yeah

May not have a mansion, But I have a place to sleep  
May not have a lot of money, But thank God, I have food to  
eat.

I want to thank him, for how he kept me  
Thank him he never left me, I can tell the world  
Tell the world that I am blessed. (Back to Chorus)

Let me hear you say I am blessed  
I am blessed (4x)

Let me hear you say Hallelujah, Hallelujah (4x)

Let me hear you say thank you Jesus  
Thank you Jesus (6x)  
I can tell the world (3x)  
Tell the world that I am blessed, I am blessed.
