

# I Really Am Grateful

By Lamar Campbell

## Verse 1:

For waking me up this morning, Lord I appreciate your love  
For keeping me all through the day I meant to say thank you Lord for walking right  
by my side  
Every night I don't always say without your help I wouldn't make it through the  
day

## Chorus

Lord I don't thank you enough but I really am grateful for keeping me  
Lord I don't thank you enough but I really am grateful

## Verse 2:

Every tear that I've cried, oh it reminds me of a storm that You've already brought  
me through  
Every pain that I feel reminds me that there's no sickness that You can't heal  
Each night I lay awake but I hear you telling me troubles not gonna last always

## Chorus

## Bridge

Every time I get the chance to take some time out, praise You. I never forget  
all You've done for me  
Every time I have a chance to take some time out, praise You. I remembered  
when You saved from my soul from sin

## Vamp:

(Repeat as directed)
