

I'LL TRUST YOU © Richard Smallwood

You are my refuge, in You I'll trust
You are my fortress, in You I'll trust

I won't dread the terror by night, for angels are all
around me
So I will not fear

When I call you, You'll answer in time of trouble
When I call you, You'll answer You will deliver
I'll trust you, for I will dwell under your shadow

I won't dread the terror by night for angels are all
around me
So I will not fear

(Vamp)
I'll trust You

(Closing)
In Thee O Lord I'll put my trust
