

## **I Made It Over**

**(written by John P. Kee / recorded by Florida Mass Choir)**

### **Chorus**

**(Through trials, tribulations),  
(I made it over) I made it over,  
(I made it over) I made it over,  
(I made it over) I made it over ooh, ooh, ooh.**

**(Through trials, tribulations),  
(I made it over) I made it over,  
and the victory is mine forevermore.**

### **Verse**

**Through dangers seen and unseen,  
I've got (I've got the victory).**

**Through dangers seen and unseen,  
I've got (I've got the victory).**

**When the wall came tumbling down,  
I was standing on holy ground;  
(and the victory is mine forevermore).**

### **Chorus**
