

It is All God -- The Soul Seekers

**I've got money in the bank, cars in the drive way
I've got a house I can claim, clothes in my closet
I've got a bed for my head, shoes for my feet
I've got breath in my body and if I was just anybody
I'd say it's all good, but I know better it's all God
But I know better it's all God
I've got friends I can call when I need help
I've got family when I fall to pick me up
I've got a bed for my head, shoes for my feet
I've got breath in my body and if I was just anybody
I'd say (I'd say) it's all good (it's all good), but I know better it's all God
But I know better it's all God
It's all God. It's all God. It's all, all God.
All God
It's all God. It's all God. It's all God, and if
And if I was just anybody
I'd say...
And if I was just anybody I'd say (say) it's all good (it's all good) but I know
better it's all God
But I know better it's all God
You the bible says in Psalm 27:13, David said I had fainted 'less I had believed to
see the goodness of the God in the land of the living.
And what we come to understand and know that
Even when it doesn't look good, it works for the good
To all those that are called according to his purpose
Help me say
It's all good, it's all God
It's all good (and it's all God), it's all God
It's all good, it's all God
It's all good (but I know it's all God)), it's all God
(I have people to lift me) It's all good, it's all God
It's all good, it's all God
It's all good, it's all God (no matter, it's all good with you)
It's all good, it's all God
It's all good, it's all God**

**It's all good, it's all God
It's all good, it's all God
It's all good
And if I was just anybody
I'd say (I'd say) it's all good
But I know better, but I know better
But I know better it's all God**
