

My Liberty (recorded by Southeast Inspirational Choir)

Verse

**I want to see the blessed face of Him who died for me,
who sacrificed His life for my liberty.**

Bridge 1

**(He saved my life) before I ever knew it.
(He paid the price) He didn't have to do it.
(And I know) I can never repay it.
(All my life) I will ever praise His name.**

Bridge 2

**(He saved my life) before I ever knew it.
(He paid the price) He didn't have to do it.
(And I know) I can never repay it.
(All my life) I will ever praise Him.**

**(Don't you know He picked me up) and turned me all around.
(In his love) I am ever found.**

**(Don't you know He gave me joy) in the place of sorrow.
(He is my hope) for a new tomorrow.**

**(Don't you know He is) the joy of my salvation.
(And I have) a new determination**

(How could He love me so, I'm sure I'll never know why He)

Chorus
