

Nobody But Jesus

Who was the one—when I didn't know my name,
Before-- I was born, loved me just the same.
Who—was-- *the* one, who took *me* by my hand,
And kept me—from all danger, the way a father can.

*** **

Who was the one—to lead me along the way.
When I didn't know-- the *path*-- the path for me to take.
Nobody but Jesus

(Choir) No-body **(C)**—nobody. No-no no no no-no no. **(C)**
Nobody but Jesús No one, no one, no one, no one. **(C)**
I stand before you to let you know **(C)**
That Jesus is—Jesus is, He's the only one.

Who was the one, to place the sun so high?
To hang the stars in place—to decorate the sky.
Oh oh oh—Who was *the* one to die *on* Calvary?
With nails-- in His hands-- and nails-- in His feet.

Who-- took the sting from death, and victory, victory from the grave?
Then went *on* back to heaven—but He's gonna-- return one day.
Nobody but Jesus

(Choir) Nobody but— He's the only one who will save you— **(C)**
who will raise you. Oh Lord.
I searched all over and I could not find —**(C)** no one better.
No--body but Jesus. **(C)** I stand before you to let you know
that *Jesus*, Jesus is, yes he is, He's the only one, the only one, the
only one.

Nobody – **(C)** Nobody but Jesus. No one will ever love you like he
can. **(C)** Nobody will treat you like he can. **(C)** Nobody--Nobody
Jesus is the one.
