

**Praise on My Mind
Charles Jenkins and Fellowship Chicago**

Everybody clap your hands

**I came with praise on my mind
I don't mind letting my light shine
I'll tell the world He's been good to me
If you don't know, oh taste and see
The Lord is good, oh good, good to me**

Everybody clap your hands

**I'm here, I'm ready to draw near
All cares aside, I'm going to lift Him
I'll tell the world He's been good to me
If you don't know, oh taste and see
The Lord is good, oh good, good to me**

Everybody clap your hands

I don't know what you came to do

**Lift Him higher
Lift Him higher
He's my provider
It's just like fire
He's my keeper
My love grows deeper
He'll never leave you**

**Hallelujah
The Lord is good, oh good, good to me**

I don't know what you came to do
