

## **Second Chance**

**By Hezekiah Walker, The Love Fellowship Choir**

**Lord I need to feel the touch of Your hand**

**Your will for my life I want to understand**

**Lord forgive me like only You can**

**For your the God of a second chance**

**Lord I'm tired of the way that I am**

**In Your love I want to live and stand**

**To adhere to Your every command**

**For You're the God of a second chance**

**For You're the God of a second chance**

**Show me**

**All of my wrongs**

**Forgive me**

**And... Show me—All of my wrongs**

**Forgive me—And make strong**

**Oh Save me--Restore my song**

**For You're the God of a second chance**

**You gave me...A second chance**

**You forgave me like only You can**

**You gave me...A second chance**
