

Tell It - Georgia Mass Choir

I just want to tell it what the Lord has done for me
I just want to tell it how the Lord has set me free
I was lost couldn't find my way wa-oo
The Holy Ghost came and showed me the right way
I just want tell it what the Lord has done for me

I Just want tell it what the Lord has done for me
I just want to tell it how the Lord has set me free
Amazing Grace how sweet the sound wa-oo
I once was lost but now I'm found
I just want tell it, what the Lord has done for me

There was a times in my life when I didn't know what
to do
I really was seeking the Lord; but I just couldn't get
thru
Holy Ghost came; fell on me wa-oo
Right now, I got the victory
I just want tell it, what the Lord has done for me

I Just want tell it, what the Lord has done for me
I just want to tell it, how the Lord has set me free
Blessed me once, he bless me twice wa-oo
He's been blessing me all my life
I just want tell it, what the Lord has done for me

Oh, He can change you**
In the twinkling of an eye
He can save you**
If within your heart; you let him abide

Amazing grace how sweet the sound wa-oo
I was lost but right now, I'm found
I just want tell it what the Lord has done for me

I come to tell it***
Tell you how he picked me up tell it
Tell you how he turned me around tell it
Tell you how he place my feet tell it
Placed my feet on solid ground tell it
Not for myself that I've been saved tell it
The angels in heaven done signed my name tell it
Bless me once, he bless me twice tell it
When I think about it (2)
***I been delivered, I been delivered I been delivered
Oh yes I been delivered
Tell it
Got a story to tell; a while ago tell it
How he saved me, how he raised me tell it
How he filled, how he thrilled me tell it
How he healed me, he lifted me ***
***I been delivered, I been delivered I been delivered
Oh yes I been delivered
Tell it
Got a story to tell (4) tell it
when I was lost, tell it in a world of sin tell it
Couldn't find no joy, tell it no peace within tell it
I sought Jesus, tell it he found me tell it
And right now, tell it today I'm free tell it
Tis so sweet, tell it to trust in Jesus, tell it
Just to take him, tell it at his word, tell it
Just to rest tell it upon his promise tell it
Just to know tell it thus says the Lord
I been delivered, I been delivered
I been delivered, Oh yes I been delivered
I been delivered, I been delivered
I been delivered, Oh yes I been delivered
I been delivered!!!
