

The Blood

The blood that Jesus shed for me
Protects me from all my enemies
No weapon formed shall prosper against me
Because I'm, covered, by, the, blood.

The blood of Jesus is a shield for me;
No matter of evil will triumph over me.
He keeps me safe from all my enemies.
And I thank God, I'm covered, by, the, blood.

The blood of Jesus, it covers me.
It protects me from sickness and disease.
Even death, death shall have no victory.
Thank God, I'm covered, by, the, blood.

The blood, (It washes away my sin)
The blood, (It covers me deep within)
The blood
(Protects me from this before the Father)
The blood,
(I can't ever live without Him, I thank God)
Thank God (That I am covered)
I'm covered (covered by)
By, the, blood.

The blood, (It will never lose its power)
The blood, (It keeps every hour)
The blood, (Protects from my enemies)
The blood, (Ah-ah)
Thank God (Thank God)
Thank God, I'm covered, by, the, blood.

(The blood of Jesus, it's my only defense)
