

# THERE IS NO WAY

Ricky Dillard

There is no wa..y – I can live without you

There is no wa..y – I can go on

Burdens - are too much – for me to bear....

There is no way – I can live without you (Repeat)

(LEAD)

I have tried – to make it – on my own – on – on my – own

But these heavy burdens of my life – these old heavy burdens of my life

They got a little bit too strong

Oh, oh, oh, oh, oh, oh, oh, oh, But right now – I -- can say

That without Christ in my life – There - is no other way

**There is no- way – I can live without you**

choir

**I have tried – over – and over**

**But there is no other way – Is no other way – is no other wa..y**

**There is no- way – I can live without you**

*I have tried – over – and over*

*But there is no other way – Is no other way – is - no - other wa..y*

*There is no- way – I can live without you*

I have tried – to make it – I couldn't take – I had to face it

But there is no other way – Is no other way – is no other wa..y

There is no- way – I can live without you
