

Whatever You Want—Chicago Mass Choir

Chorus: (*Lead sings 1st, then choir follows)

Whatever you want----God's got it

Whatever you need----God's got it

Whatever you ask--Just believe it

According to your faith

You can receive it

Eyes have not seen----Nor ears have heard,

Good things my God has in store

Verse:

My Father's rich in houses and land

He holds the world in the palm of His hand

Rubies and diamonds, silver and gold

My Father has riches that's untold

No need to worry, no to fret

(Choir: My God has everything)

He's never failed me yet

(Choir: My God has everything)

There is no secret, to what my God can do

If He's done it for me, He'll do it for you

Chorus

Vamp:

My God's got everything (repeat, Lead: sings ad lib)

Whatever you want (repeat as directed)

Ending:

Eyes have not seen

Nor ears have heard (repeat as directed)

Good things my God has in store
