

When The Saints Go To Worship Lyrics

By Benita Washington

**When the saints go to worship that's when the deliverance will take place
When the saints go up in praise that's when His spirit shall inhabit this place
When the saints get on one accord and begin to bless their Lord
Then the King who is strong and mighty , Oh, the
King who is mighty in battle yeah the King of glory shall come in**

**When the saints go to worship that's when the deliverance will take place
When the saints go up in praise all Satan's powers are erased
Every trap the enemy set can't work-won't work
Then the King who is strong and mighty
Oh, the King who is mighty in battle yeah the King of glory shall come in**

We welcome You in(2x)

You're the King and You're invited to come in

To this sanctuary, this tabernacle

You're the King and You're invited to come in (repeat)
