

## You Keep On Blessing Me

(Chorus): **You keep on blessing me over and over again (repeat 6 times)**

(Lead)

You woke me up this morning, and started me on my way  
You gave strength to make it, to make through another day  
You gave me eyes to see, you gave me a tongue to talk  
And I want to thank you Jesus for giving me legs to walk

**You keep on blessing me over and over again (repeat)**

I can move around, I can wave my hands

**(I can wave my hands)**

When you speak to me I can understand **(I can understand)**

Well I've got a home to live in where I can lay my head

I could have been sleeping in my grave

But you kept me alive instead

(Chorus)

(Bridge)

And I want to thank you, **Thank you Jesus (repeat 8 times)**

So many times you opened doors for me

And if it had not been for the Lord I wouldn't be standing here today

You made a way for me. **You made a way for me (repeat twice)**

And you did it **over and over and over**

(Chorus)

I've got a tongue to talk; I've got legs to walk **(repeat)**

I've got eyes to see, I've got some food to eat **(repeat)**

(Chorus)

I've got to tell you thank you

**Thank you Jesus, Thank you Jesus (repeat 4 times)**

(Chorus)

**Lord I thank you**
